BOOK YOUR MEDIA SAFE PRESENTATION TODAY AND RECEIVE...

A 45 minute, interactive presentation with teacher and former lawyer Ryan Richardson, providing social media awareness to Church congregations from a Christian perspective with Biblical principles and scriptures.

Media Safe framed wall certificate declaring your Church media safe and welcoming you to the Media Safe Network

“The Workshop helped parents feel confident about setting boundaries while embracing the benefits of current media. We also gained a better understanding of each type of media, and left feeling empowered and supported.”

Pastor Brian & Lynn Danter,
Windsor Christian Fellowship

“Just read `Saving Face (book). Thanks, Ryan, for a great resource filled with tons of great thoughts on how to help parents navigate the digital world with their children.”

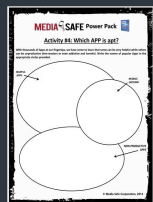

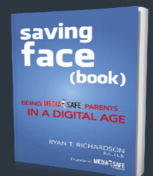

Pastor Ike Unger, LEMMC

After presentation Media Safe “Power Pack” for use by youth groups or parents. Package includes biblically based tasks and activities that reinforce the need for everyone to be Media Safe.

For the first time in history, online actions have real-life consequences.

Media and technology will change.
But, God never does.
