## BOOK YOUR MEDIA SAFE PRESENTATION TODAY AND RECEIVE...

A 45 minute, interactive presentation with teacher and former lawyer Ryan Richardson, providing social media awareness to students, educators and/or parents while helping promote social media respect, responsibility and civility (Safe Schools Act, 2000).

Media Safe framed wall certificate declaring your school media safe and welcoming you to the Media Safe Network

“Students were effectively made aware in an interactive way. They were challenged to really think about what they do on social media and how it can impact their lives, not only in the moment, but into their future.”

Dr. Poldmaa, VP, Michipicoten HS

“Attendees are free to ask questions and receive detailed answers. We highly recommend this to all so that everyone can feel supported in the world of media and technology.”

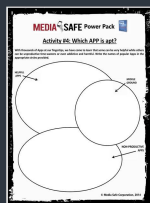

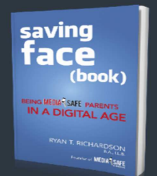

D. Mathias, Director,  
Victim Services of Wawa & Region
